Activities that Both Occupations Have in Common

Similarity of Focus
Occupation to Associated
Occupation: 43

Focus Occupation: First-Line Supervisors of Fire Fighting and Prevention Workers (33-1021) Associated Occupation: Emergency Medical Technicians and Paramedics (29-2041)

Work Activities	Exclusivity of Activity
Communicate technical information	4
Use two-way radio or mobile phone	42

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
